

# 2017 NATIONAL TRANSGENDER HEALTH SUMMIT

**November 10-12, 2017**

**OAKLAND MARRIOTT CITY CENTER  
1001 BROADWAY, OAKLAND CA 94607**

## PRE-CONFERENCE SCHEDULES

November 10, 2017

## SUMMIT PROGRAM SCHEDULE

November 11-12, 2017

The Center of Excellence for Transgender Health welcomes you to the 2017 UCSF National Transgender Health Summit. We are thrilled that you are joining us to learn from leading clinical, community, research, policy, and academic experts in the field of transgender health. We hope that you will find the program to be rich with cutting-edge research findings, evidence-based educational sessions, and training opportunities across many clinical disciplines.

The program is organized into four tracks with five plenary sessions, a poster session, and two films. The tracks sessions include multiple oral presentations, knowledge and skills-building activities, round-tables, and mini-symposia. The four tracks are:

**Clinical Track:** There are 29 break-out sessions in the clinical track focusing on many topics, including: primary care, hormone therapy, surgery, mental health, voice and language, gynecology, pediatrics and adolescent medicine.

**Community Track:** The trans and gender-diverse community track includes 29 break-out sessions providing a forum for trans and gender diverse people in health professions to strengthen their skillset and networks for leadership, community mobilization, and professional development.

**Research Track:** This track includes 16 break-out sessions providing a forum for disseminating data-driven research and evaluation from diverse health-related disciplines.

**Policy Track:** This track is a collaborative effort between UCSF's Center of Excellence for Transgender Health and the **Transgender Law Center**. This curated track includes 10 break-out sessions about transgender health policy issues, such as incarceration, immigration and insurance coverage.

This Summit would not have been possible without the expertise of the speakers and presenters, the efforts of our volunteers, and the generous contribution of our supporters. Their generosity allowed us to provide **over 130 scholarships** this year and helped defray numerous other expenses.

We extend our deepest thanks to:

- AIDS United
- AIDS Healthcare Foundation (AHF)
- Alameda County Department of Public Health
- California Endowment
- California State Office of AIDS
- CBA Resource Center/CBA Provider Network
- Human Rights Campaign
- Kaiser Family Foundation, Greater Than AIDS, #TransEmpowered
- National Centers for Disease Control and Prevention
- TAJA's Coalition
- Transgender Law Center

In addition to the support from our supporters, the 2017 Summit reflects the work of many dedicated staff from UCSF's:

- Center of Excellence for Transgender Health ([transhealth.ucsf.edu](http://transhealth.ucsf.edu))
- Transgender Care Program ([transcare.ucsf.edu](http://transcare.ucsf.edu))
- Center for AIDS Prevention Studies ([caps.ucsf.edu](http://caps.ucsf.edu))
- Office of Continuing Education ([meded.ucsf.edu/cme](http://meded.ucsf.edu/cme))
- Pacific AIDS Education and Training Center ([paetc.org](http://paetc.org))
- Alliance Health Project ([ucsf-ahp.org](http://ucsf-ahp.org))

We hope that the 2017 Summit will provide you many opportunities to network with peers, colleagues, allies, and supporters from across the country and from around the world. Please be sure to join us at the opening reception on Saturday evening for drinks, nibbles, and music. Be on the lookout for special nightlife events both in Oakland and San Francisco!

If you need anything during your stay, please don't hesitate to approach our helpful volunteers, the professional staff from the Marriott Oakland City Center, or any UCSF employee. We are here to ensure that you have a pleasant and rewarding experience at the Summit.

Yours in the effort to advance transgender health,
