Subject: Reminder -- Methods Core seminar in December 12/09/2011 - Dr. Estie Hudes

If you are coming from outside CAPS, please make sure you read the information at the end of this message. Please make sure you RSVP to Estie Hudes ahead of time.

Dear Methods Core seminar participants,

Our December seminar will take place next Friday.

Topic: "Report back from the Stata Conference Chicago 2011"
Presenter: [Estie Hudes](#), PhD MPH
Specialist / Statistician
UCSF CAPS and Dept. of Epidemiology and Biostatistics

Time & Place: Friday, **December 09**, 10-11:30
McKusick Conference room
50 Beale Street, 13th floor
San Francisco, CA 94105

Abstract: I will present highlights from the many talks at the recent Stata conference, pointing out some new nifty features of the recently released Stata 12.

Hope to see many of you at this presentation,
--Estie

CAPS address is 50 Beale Street, Suite 1300. The building is between Market and Mission.
Directions to 50 Beale Street can be found at
<http://caps.ucsf.edu/about/directions-parking/>

Please also note that our building has very tight security; in order to be provided with visitor passes, you will need to RSVP to me, preferably at least 2 days before the seminar. If you are even considering attending the seminar, please do RSVP, so your name will be left with the security stuff at the main building entrance.

RSVP to [Dr. Estie Hudes](#)

The CAPS Methods Core activity can now be checked directly on the website:
<http://caps.ucsf.edu/about/structure-cores/methods-core/>

Materials from recent seminars are put on the website. You can go directly to <http://caps.ucsf.edu/about/structure-cores/methods-core/methods-core-seminars/>

for seminar announcements and past seminars materials. The information is being updated regularly.
